The bad news is time flies. The good news is you're the pilot. ~ Michael Altshuler

My fellow Toastmasters, time is flying by. Where have the past four months gone, and I encourage you to ask yourself... have you used that time wisely?

We are a quarter way into the New Year, and the results are showing that indeed, most of us are. We have chartered 4 new clubs and we have many more leads in the pipeline.

We have 12 clubs out of 206 that have not paid their dues yet, of those, one club is expected to disband, and two are new clubs that just need to pay dues for March

Our Educational Goals are currently at 21% of CC's needed, and 48% of AC's

Congratulations to our Triple Crown Achievers, those members earning three or more education awards

<b>Member</b>	<b>Count</b>	<b>Awards</b>
Adelekan, Patricia Ann	4	CL, CC, LDREXC, LDREXC
Graham, Kevin	4	ALB, CL, ACB, CC
Mihalka, Ed J.	4	ALS, ACG, DTM, LDREXC
Kidder, Brion	3	CC, DTM, ALS

So what does this all mean? Simply stated, Founders District is off to a strong start this year. Thanks to all of you and your dedicated efforts we are moving ahead, and building momentum. Although we are progressing at a good pace, I do need to add that we are slightly behind where we were last year. I'm asking that we all do our best...That is all that we can do. But by each of us doing our best, we can take Founders District to Presidents Distinguished... We have the momentum on our side.

The legacy of grooming future leaders continues as our current governors have selected assistants to work closely with them and be well-prepared to step into the role in 2012. As district leaders one of your responsibilities is to look for leadership potential in the members of your area clubs and to find opportunities for those talented people to serve the district. Learn to "discover and delegate".

We will be hosting a Leadership Luncheon in December, for those interested in stepping into Leadership positions within the District. More information will be forthcoming
