Recognition

- Help me welcome the newest member of the Division E Team, Area E6 Director, Louis Lopez, CC, ALB from Edison Loquacious.
- Jesus Ramirez facilitated the initiation of a SpeechCraft with Republic Services and brought in the Kaiser Downey Lead
- Thanks to Assistant Division Director Gloria Miller for completing four club visit reports while we were interviewing candidates for the Area Directors vacancies.

Issues

- LAC-DHS President, Maureen Flannery, pushed through the Oct 1- March 30 payment. We are still working on the April 1 – Sept 30 payment.
- Smart Toast has requested a club coach due to low membership. They are struggling due to high work load at Smart & Final. We are looking for coaches to assist them, primarily with PR in the local area.
- Spirited Toastmasters has canceled several meetings and has low membership. They too are struggling with a high work load and low attendance.
- Champions Toastmasters has dropped off the grid. No response to phone calls and emails. We no longer know where and if they are meeting. Dues were not paid. We are assuming the club is lost.

In Progress

- Thanks to Diana Dee for assistance with C21 Reality Masters in Norwalk. Final paperwork in progress for club charter.
- We are currently in conversation with Republic Services to finalize the details of chartering a club.
- Another thanks to Diana Dee for setting up an info session with Kaiser in Downey on April 25. Mark Lucas is scheduling time off work to attend along with Jesus Ramirez who brought in the club lead.
- Jesus Ramirez and Jerry Arnold are working to obtain leads for police clubs, beginning with Anaheim Police Dept. (Not to be confused with Richard Snyder's efforts with the Anaheim Police *Association*) and Azusa Police Dept.
